SEASONALS

Old Bill | Veterans Day Porter | 5.7% ABV

YEAR-ROUND

Orion | New England IPA | 6.6% ABV

(oh-RYE-un) Not only is Orion one of the most recognizable constellations in the night sky, it's also the name of the orange cat in the legendary cinematic masterpiece: Men In Black. Orion is our single New England IPA featuring Strata, Mosaic, and Simcoe hops. A vibrant tropical mix of mango, passionfruit, and guava.
½ Pint, 5.5 Pint, 8 32oz Crowler to-go, 12

Whistleville Pils | German Style Pilsner | 5.1% ABV

In honor of Norwalk's most historical neighborhood, this Pilsner is a traditional, light-bodied and highly attenuated lager brewed from 100% Pilsner malt and noble German hops. Light gold in color, subtle bitter taste, excellent head retention, and a gentle floral hop aroma.
½ Pint, 4 Pint, 6.5 32oz Crowler to-go, 10

The Tree Cat | West Coast IPA | 7.3% ABV

This kitty didn't make it to space but did get stuck in a pine tree! The Tree Cat is a nod to traditional West Coast IPAs of the past. A sweet honey malt backbone lays the foundation for the essence of tangerine, lemon and lime aromatics. Resinous with an aggressively bitter profile all the way through.
