Vienna Lager | Austrian Style Lager | 5.5% ABV

The brewers at Spacecat have been working tirelessly night and day digging through historical archives to discover exactly what beer Mozart drank in Vienna while composing music. This is a recreation of the exact recipe. Toasted bread and hints of caramel sweetness give way to a classic, crisp finish. With each sip let the genius flow through you.

YEAR-ROUND

Orion | NEIPA | 6.6% ABV

(oh-RYE-un) Not only is Orion one of the most recognizable constellations in the night sky, it's also the name of the orange cat in the legendary cinematic masterpiece: Men In Black. Orion is our single New England IPA featuring Strata, Mosaic, and Simcoe hops. A vibrant tropical mix of mango, passionfruit, and guava.
½ Pint \$5.5 Pint \$8 32oz Crowler to-go \$12

Tree Cat | West Coast IPA | 7.3% ABV

This kitty didn't make it to space but did get stuck in a pine tree! The Tree Cat is a nod to traditional West Coast IPAs of the past. A sweet honey malt backbone lays the foundation for the essence of tangerine, lemon and lime aromatics. Resinous with an aggressively bitter profile all the way through.

Whisterville Pils | German Style Lager | 5.1% ABV

In honor of Norwalk's most historical neighborhood, this Pilsner is a traditional, light-bodied and highly attenuated lager brewed from 100% Pilsner malt and noble German hops. Light gold in color, subtle bitter taste, excellent head retention, and a gentle floral hop aroma.
